"Preparing You For the Future of Christian Ministry"

Dear Prospective Student:

Enclosed is the information you recently requested regarding programs at the Heritage Center for Religious Studies.

Heritage Center operates on a 10-week quarter system and each course provides 30 hours of classroom instruction. In April 2002, we were licensed by the State of Michigan for our ***Diploma of Ministry*** and ***Certificate in Continuing Education***, independent programs designed to prepare students for entry into undergraduate ministry studies. Acceptance of Heritage Center classes for transfer credit to Christian colleges is at the sole discretion of the receiving schools; however, we are diligently working to establish consortium relationships with local schools to accept our credits for transfer. We will keep you updated on our progress.

Please take the time to review the enclosed material thoroughly, including registration and program application deadlines. If you have questions or concerns, please contact me at (313) 491-7893.

Again, thank you for your interest in Heritage Center. We pray this information will be helpful to you in your Christian ministry development. We also look forward to having you join the students here at Heritage Center for a most rewarding training experience.

Sincerely,

Minister Michelle D. Lipscomb
Director of Administration
